

Mother Earth Spirituality: Native American Paths to Healing Ourselves and Our World by Ed McGaa

- **Paperback:** 256 pages
- **Publisher:** HarperSanFrancisco (May 1990)
- **Language** English
- **ISBN:** 0062505963

About the book

Mixing natural spirituality, a belief that humanity is rooted in a living, feeling earth, and an awareness of scientific ecological principles, Eagle Man draws on centuries of Native American wisdom to offer practices and ceremonies that re-establish a nurturing relationship with nature.

Reviews

An excellent book for those interested in the Red Road, 11 April 2000

Ed McGaa teaches us the true value of many of the Sioux Ceremonies, from the Sweat Lodge, through to the Giving Away Ceremony. This book was recommended to me by a friend who follows the Red Road, and now I have commenced my journey. Enjoy the book! Also see *The Rainbow Tribe* by Ed McGaa, which details lessons and experiences from non Native American people following the Red Road. Mitakuye Oyasin!

Review:

"Ed McGaa is one of the first persons who can write about Oglala religion in the first person because he has lived it. For years anthropologists have hoped a Native American would portray that society from the inside out. Ed McGaa has. It's about time." (-- William K. Powers, author of *Oglala Religion*)

Review:

"A rich panorama of our native heritage which allows the seeker access to the heart of the Path of Beauty. Ed McGaa has walked this path so that all people may live in harmony." (-- Jamie Sams, Hancoka Olowanpi, author of *Midnight Song: Quest for the Vanished Ones*)
